Thanks, John.

I've included Hilary Parkinson. She is a member of Public and Media Communications and reports to James Pritchett. She should be aware since there may be social media comments/conversation on the topic.

I've also included Robin Waldman since there certainly will be questions internally as well, and we should be prepared to answer them.

Communications Colleagues -

Please hold this close until after 11 am tomorrow . When the President's budget is released tomorrow at 11 am, NARA's request will not include any funding for the NHRPC.

This bad news may result in press calls so I drafted the following statement that Micah and David have signed off on:

(b) (5)

Micah's office is preparing a NARA notice that will have a general summary of the budget, (b) (5)
